

**"It is more blessed  
to give than to receive"  
Acts 20:35**

## Roz Souter

**"I first got involved with Blythwood Care through the annual Shoe Box Appeal, while working as a teacher. With my mother we together became supporters of Blythwood Care.**

"A few years later I led a group of school pupils to help at a camp run by the Elpis Foundation in Romania, a long-term education project supported by Blythwood. The children came from various difficult backgrounds. It was wonderful to give these children a break from their everyday lives in a Christian environment.

"On my trip I had the opportunity to visit an orphanage. The conditions I saw were so basic and clinical. It has been great to see how support through Elpis has improved conditions and I was so happy to give my support in various ways, leading to return trips both with school teams and personally, and building good relationships with children and teachers. I have seen conditions improve but still a lot of help is needed going forward.

"I am so pleased Blythwood is committed to building lasting relationships.

I have seen lives transformed, both those of Blythwood volunteers given the opportunity to serve at camps in Romania and those of many who receive their care.

"It gives me great joy to leave a legacy. I know that with this gift Blythwood Care will continue helping others less fortunate than myself in the UK and overseas.

"Making a Will is an important decision. I wish to assure you a gift of any amount left in your Will to Blythwood Care will support important Education, Community and Gospel projects here at home and around the world.

Thank you for taking time to give to Blythwood Care in this wonderful way. Your legacy gift will transform lives such as we have shared with you in this booklet."
