

**Thank you for signing up to be a Brunch host! We hope you are looking forward to being able to meet and eat, whilst make a lasting difference to people affected by poverty, rejection and isolation.**

**When it's too late for breakfast and too early for lunch, there is only one thing for it, LET'S DO BRUNCH!**

**Covid reminded us that friendship and family are vital to how we function as human beings. Community and just being together helps our mental health, and supports our general wellbeing. Having something to look forward to, and in the diary, is exciting so time to get that event booked!**

**These online fundraising resources are available for you to use, however, if you would prefer a physical pack sent by post, please email the fundraising team. We can also provide cardboard collection boxes and balloons by request. We are always looking to improve our resources and supporter care so please do feedback to the team on [fundraising@blythswood.org](mailto:fundraising@blythswood.org) if you have any suggestions on how we can improve your experience of fundraising in aid of Blythswood Care.**

**All that's left to say is have a fabulous event, and enjoy getting your family and friends together and LET'S DO BRUNCH!**

## HOW TO HOST YOUR DELICIOUS BRUNCH FUNDRAISER

Your brunch can be a simple affair, or something more involved.

Below are a few guidelines to running an event, however, you may just choose to invite a few friends round and ask for a donation for Blythwood.

For Brunch for Blythwood, you are in control!

1. Choose a suitable location or venue, if not your own home or workplace
2. Choose the menu
3. Choose your target market (friends and family, colleagues, church, or a publicised event)
4. If you have registered your event online you will receive an email with the link to a fundraising page. If you have signed up using the offline form, we will send you a link to set up a fundraising page.
5. Send out your invitations, or send out publicity such as displaying your posters. Please contact us if you need any further advice.
6. On the day, decorate your venue with balloons, display Blythwood leaflets, your foldable collection box (all available from the fundraising team) and get ready to welcome your guests
7. After the event send the funds by post, using the pay in document, or contact the Fundraising Team on 01349 830777 to pay by card. Please ensure you state the funds were raised through Brunch for Blythwood. If you have used an online fundraising page, funds will automatically come to us, you don't need to do anything further and we will be in touch to confirm we have received it.
8. If you have had any volunteers helping on the day that you would like an official thank you from the Fundraising Team, please let us know
